City Will Seek MFT To Pave Johnson Rd.

Larger Fire Pumper May Be Purchased; Fire House Site Debated

Paving of Johnson road on purchase of a \$1,000,000-dollar pumper for the fire department were discussed in detail Monday night by Granite City council members, with both proposals referred to committees.

Location of the proposed new firehouse was discussed. Nameoki area was debated but the two sites mentioned, but it was decided to hold the matter in abeyance until a report is received from the National Board of Fire Underwriters.

Eight Ward Alderman Ford Johnson called for committee study of the Johnson road paving, asking for a resolution to keep open for reexamination of employee's paving plans.

Council member expressed their hope the entire roadway could be paved from Carlson to Pontoon road.

However, it was pointed out that half of the road, from Carlson to the bridge on Clark Avenue, around the curve to about Clark limits and in Nameoki city town ship.

Limited Paving Planned

City Atty. William Boett said that he had discussed the problem with Nameoki township officials and they were willing to let the section of the roadway to Granite City, any paving the city wanted to do. It was asked to proceed with the acquisition of the property at the present time, to be sought from Carlson avenue to Franklin in a week.

When the city approached the township for a new application will be made for MFT funds to pave the entire road. Alderman Ford Johnson pointed out the street is one of the most heavily traveled in the city.

\$23,000 For Pumper

Alderman Frank Vesel, chairman of the Public Safety committee, asked for \$23,000 to be included in the city budget for a new fire pumper with a greater capacity than any now in operation by the city.

Vesel said the city's 750-gallon pumper at the main fire station was purchased in 1947, and that with its age, excellent condition, its age must result in a breakdown at a fire.

Council members agreed the former pumper is needed and voted approval for the figure to be included in the budget, subject to reconsideration when the budget is submitted for adoption.

Site On St. Clair Ave.

Location of the Nameoki area station at Maryville road and St. Clair avenue was proposed by Ward Alderman Frank Vesel, who added that residents of the area preferred not to have a station house of rump-style design.

He pointed out the St. Clair avenue site was more heavily populated and closer to older heights and the site located at Pontoon road and Stearns avenue proposed last week by Eighth Ward Alderman Vesel.

The city has considered a new station to replace the present West Granite City house. Alderman Vesel said the site of the Triangle Park site was not available from the park.

McBride Named Vice-Chairman For UF Campaign

(Picture on Page 5)

John McBride, vice-president and general manager of Union Sales & Refining Co., has been appointed chairman of the local United Fund drive.

L. Aubrey, UP drive general chairman announced yesterday.

McBride, prominent in civic affairs and recently an instructor in the Chamber of Commerce sponsored series in practical politics, introduced several years ago the continuous giving plan for support by Union members of social and welfare agencies.

The UP board of directors will meet later this month to set a final campaign goal. At present the administration division of its study of 17 agency budget requests.

The committee will make its recommendations at the board meeting.

McBride, at his appointment, and he is concerned with further coordination of United Fund campaigns and suggested held meetings for the past two weeks to arrive at the tentative figures for 1961-62.

New Fund Established

A major portion of the budgeted amount is accounted for by provision for a separate saving cash fund, \$68,883 being set aside for contributions to other funds.

Contributions also are increased under terms of the tentative budget. There also was an increase in funds set aside for the payment of the pension.

A sizeable part of money in the working cash fund is reserved for transfer to cover operations of the school district cafeterias, which traditionally operate "in the red." A tentatively figure of \$25,000 was set up to cover cafeteria expenses and above the monies allotted for cafeteria operations.

Major Changes Possible

School Board Atty. Austin Lovell said possible major changes in the budget may result when the district has a better idea of what actual income will be, and upon further investigation.

18 DAYS WITHOUT A QUAD-CITY TRAFFIC DEATH

By Press-Record Staff Photographer

ADDED TO STAFF of the local mental health clinic, Dr. Robert J. Leider, psychiatrist, began his duties here this week.

Fireman Dies While Fighting Mitchell Blaze

A volunteer fireman fighting a fire in an auto carrier truck yesterday afternoon in Mitchell collapsed on the fire truck and was pronounced dead on arrival at 3 p.m. at St. Elizabeth Hospital, apparently of a heart attack.

John Claude E. Corey, 52, of 205 Lenox avenue, one of four firemen from the Mitchell volunteer fire department who answered the alarm at 2:30 p.m. He was standing on top of the fire truck unloading hose, firemen said.

During the blaze, which apparently started from a short circuit in the truck's electrical system, flames leaped two feet over the cab, gutting it and leaving what amounted to a charred shell.

Mouth-to-mouth artificial respiration was given by Corey by his wife, Sandra, and Leon Rose and Leonard Weis until an ambulance arrived with an inhalator.

Motor Was Turning Over

During the blaze, which apparently started from a short circuit in the truck's electrical system, flames leaped two feet over the cab, gutting it and leaving what amounted to a charred shell.

Since noon Monday, 13 traffic accidents in which five persons were killed have been reported to local, county and state authorities. The area's weekend tally through noon Monday was 20 accidents with one fatality.

Still listed in critical condition today at Children's Hospital, St. Louis, is Charles Curtis, 2, of 2110 Benton street, who was hit by a car Monday about 6:45 p.m. in front of his home.

The boy was struck and rolled approximately 17 feet by a vehicle driven by Charles W. Chishenall, 32, of Benton street.

Chishenall's auto hit the boy on Benton when it hit the boy who had wandered into the street from behind a parked car and ran right into it.

"The right side of his body, of which 'went off with a bang,' during the fire, were destroyed.

Driver Having Coffee

He rolled his car skidded approximately 42 feet before striking the boy.

Rushed to St. Elizabeth Hospital by his mother, Gladys, and his stepfather, the boy was examined and immediately transferred to St. Louis.

After undergoing brain surgery Monday night, his condition was considered stable. A Children's Hospital spokesman said noon today that the youngster was "doing as well as could be expected."

Chishenall was charged withreckless driving and released on \$56 cash bail to return tomorrow for a change of venue hearing.

Two Cyclists Injured

Two motorcycle riders were hospitalized Tuesday evening when their cycle hit a chuck hole on Circle Drive and skidded.

Edward Bain, 47, of 727 North 56th street, was in good condition today at St. Elizabeth Hospital, suffering from abrasions to his left arm and shoulder.

Dr. Charles Ottensmeyer, located at the Alton clinic, is investigating the cause of the accident.

Dr. Leider from July 1961 to 1962 was director of the mental health clinic until the Mattoon Blues mental health center in St. Louis.

Receiving a bachelor of philosophy degree from Boston College.

(Continued on Page 5, Col. 3)

Undergo Surgery

The following are recovering at St. Elizabeth Hospital from surgery which they underwent this week: Richard Harris, 30, of 1100 North Main street, Lovetown; Pauline Luschene, 22, Benton street; Mary Johnson, 18, Main street; Juanita Edwards, Lovetown; Camille Seago, 2028 Grand avenue; Henrietta Spengel, 2552 Center street.

An Electric Water Pump

An electric water pump, valued at \$300, was stolen from Peacock, 2101 Nameoki road, Monday night. Peacock told Granite City police that the pump had been kept on the back porch.

The following are recovering at St. Elizabeth Hospital from surgery which they underwent this week: Richard Harris, 30, of 1100 North Main street, Lovetown; Pauline Luschene, 22, Benton street; Mary Johnson, 18, Main street; Juanita Edwards, Lovetown; Camille Seago, 2028 Grand avenue; Henrietta Spengel, 2552 Center street.

24 Hours of Prayer Friday Noon Until Saturday Noon July 8th and 9th

The First United Presbyterian Church will be open to all. Members of the church will greet you and welcome you to share in this twenty-four hours of silent prayer — Your Prayers. Come at your convenience and stay as long as you wish. Pray for your local, National and International Leaders. Pray for your loved ones. Pray for your friends. Pray for World Peace. Pray for the Kingdom of God.

The First United Presbyterian Church invites you to the 8:30 A. M. and 11 A. M. worship services July 11.

Guest Speaker, REV. CHARLES D. HINDMAN

22nd and Delmar Granite City, Ill.

PEACEFUL JULY 4th at Wilson Park is evidenced by the loaded picnic tables and the reclining picnickers, stretched out on a blanket (right) with a baby's play pen nearby. Thousands of Quad-Citians enjoyed the tranquility of the park on the holiday.

Mechanic, Bids For Gasoline Could Save City Money

"This is the eighth in a series of articles based on a reorganization study of city government in Granite City by Southern Illinois University.

Stressing expenditures of \$37,782 last year and \$33,917 in 1959 for gasoline, grease jobs and similar fuel requirements for all departments, the SUU experts urge the city to seek bids for materials and establish a repair shop in a new city garage.

A report shows that in the total expenditures of \$30,000 to \$35,000 for fuel, the city could save \$10,000 annually by having bids for the street sweeper, blowers and other specialized equipment, which probably still would have to be purchased.

However, it is probable that not only could some of this work be done in the proposed city garage, but through a repair shop, fuel requirements could be competitive bidding.

"A check should also be made to see if the city needs to purchase gasoline for all its equipment and service, some of which probably could be obtained through bids.

"In designing the city garage, the city should investigate the cost of fuel companies to determine the tank capacity required to get the lowest rate.

The city should also install its own pump with a recording ticket. In requesting bids, the city should require that the suc-

cessful bidder make arrangements for the transfer of ownership of company-owned tanks and pumps.

It's Difficult to Estimate

With accuracy the total cost of a city vehicle maintenance program. A reasonable valid comparison can be made with the city of Alton which has set up such a program.

"In 1960 budget, Alton estimated the cost of fuel at \$45,283 for the operation and maintenance of vehicles. The central garage will receive and estimate of \$10,000 to \$12,000 charged to the operating department, leaving an amount of \$14,044 representing maintenance and repairs which will have to be made outside. A check should be made to determine what work should be given to the repair shop and what work should not be undertaken by the city.

"A great deal of time could

be wasted by having city employees attempt major engine overhauls. Even though they were qualified and equipped to do this work, it would be at the expense of much other necessary routine work.

Preventive Maintenance

"The city should concentrate on preventive maintenance such as regular greasing and oil changes, inspection of connections, tires, motor tuning, checking radiators, generators, fan belts and other parts. The time spent on preventive maintenance will result in significant savings.

"The time spent on preventive maintenance will result in significant savings.

City Will Seek

(Continued from Page 1)

district, he knew of another suitable location "around the corner" which could be bought by the city at a reasonable figure.

Alderman Vesel said he had a formal proposal for the city location stating that future growth of the city would put it within five to 10 years in the hub of the Nameoki area. How-

ever, he added that he would await a recommendation from the National Board of Fire Underwriters and would abide by its decision.

Nonpayment of Fines
Taken to the county jail for nonpayment of fines Tuesday was Earl Todd, 29, Hotel Stevens, Granite City. Todd had been indicted for public drunkenness on April 11, 1960, at the court Monday on two charges of creating a disturbance and on charges of profanity and assault and battery.

Resident For 48 Years
Mr. Corey, who was born in Valley Park, Mo., and had been a resident of Granite City since the early 1940's, was employed as an inspector by the C&EI railroad, where he served for 32 years. He was a member of the Brotherhood of Railroad Clerks.

His family said he had not been treated with a heart condition and that there was no record that he apparently had a weak heart.

One of the original volunteers when the Mitchell unit was formed in 1948, he was also an elder in the First Presbyterian Church there.

Surviving are his wife, Fern E.; two sons, Ronald E. and James of Mitchell; three daughters, Mrs. William A. (Jean) Stoeckel, Mrs. Robert (Doris) Wenzel, and Claudia Corey of Mitchell; a sister, Mrs. Esther Andre, Livingston, Ill.; a brother, Thurston; and a son, Wernell Corey and Dayton, Colorado.

Former Coroner Henry Pieper said an inquest would be held at a date to be announced later.

Funeral arrangements are given in the obituary column.

Formal Church Merger

Witnessed By Surveyor

Rev. Paul Surbey, pastor of St. John United Church of Christ, served as committee chairman for review of work of the Office of the General Secretary of the General Synod of the United Church of Christ proceeded this week in Philadelphia. Dr. George F. Evans, General Secretary of the church, and Congregational Christian churches into a 2,000-member denomination with declaration that the new church constitution is in effect.

One of 12 official delegates representing some 100,000 at the historical merger meeting, Surbey last week had headed the international missions review committee at the final national Evansville meeting.

Rev. Dr. Bob Herster of Norwood, Ohio, was elected yesterday as president of the United Church of Christ.

No Fire Found At Plant

Madison firemen were dispatched at 11:15 a.m. yesterday to the Ovens-Illinoi's Paper Products plant to determine if a fire could be located. An automatic fire detection device had given a signal indicating the possibility of a fire in the plant building.

Parking Meter Receipts Down From Last Year's

Parking meter receipts for Granite City during June jingled to the tune of \$2951 with an additional \$205 collected from motorists who were fined as violators.

The total received for last month, \$3156, is down \$165 from the previous month of \$3321. A similar drop in receipts for the first half of this year is noted in comparing last year's first six-month average of \$2951 with \$3156. Closing out the first half of 1961, parking meter receipts are at \$20,541.

Once again the month of May is holding onto the six-month lead in receipts as it did last year. May's receipts of this year

were recorded as \$4213, with February's \$3501 a distant second. However, last year's May sum of \$4416 was the second highest receipt in the 1½-year period.

The highest total was recorded in October 1956 when area shoppers, motoring in city, spent \$4585 for parking.

May also has the high in fines for the semi-annual period with a total of \$1600. The all-time high for ticket-writing was in August 1955 when Granite City police issued 615 notices of over-timing.

Other 1961 monthly receipts are: January, \$2933; March, \$3398; and April, \$3345.

William A. Hahn, 36, Succumbs Early Today

William A. Hahn, 36, of 2415 Hodges, died yesterday morning today in the Christian Welfare Hospital, East St. Louis, from a respiratory ailment. He had been ill for several months and had been in the hospital the day before.

Mr. Hahn moved to Granite City 12 years ago from St. Louis, where he was born. He was an agent for the Metropolitan Life Insurance Co. in East St. Louis, where he had worked for two years.

A member of the Fathers and Friends club of Sacred Heart Catholic Church, he also managed Sacred Heart's second grade Khouy League baseball team.

Survivors include his wife, Ernestine; five children, Catherine, 16, Rosemarie, 14, William Jr. and Jerry, 11, all residing at home; his mother, Mrs. Catherine Moser, St. Louis; and his brother, Raymond Moser, St. Louis.

Funeral arrangements are given in the obituary column.

School Board To Review Pay, Contract Requests

A review of contract proposals for Granite City school district was undertaken yesterday by the topic of a special school board meeting at 7:30 tonight.

Regular school board meeting was listed in the special meeting call.

Surviving are his wife, Fern E.; two sons, Ronald E. and James of Mitchell; three daughters, Mrs. William A. (Jean) Stoeckel, Mrs. Robert (Doris) Wenzel, and Claudia Corey of Mitchell; a sister, Mrs. Esther Andre, Livingston, Ill.; a brother, Thurston; and a son, Wernell Corey and Dayton, Colorado.

Former Coroner Henry Pieper said an inquest would be held at a date to be announced later.

Funeral arrangements are given in the obituary column.

Fire Damages Sheds On Park Ave. Today

Two pieces of equipment were sent by Granite City Fire Department to combat a fire in a shed at 19th and Park avenue.

The fire, started by lightning, was "partially burned" and that no estimate of the damage had been made.

The fire, which damaged

two sheds, was extinguished.

Cause of the blaze, which lasted for 30 minutes before firemen arrived, it was not immediate.

Fire Department to be determined.

Exceeding Speed Limit

A hearing has been set for

today for Charles E. Pool, 3113 Edgewood Avenue, who was arrested yesterday about 2:30 p.m. by Granite City police on a charge of exceeding the speed limit. Pool left his driver's license as bail.

Firecracker Complaints

Numerous complaints on firecrackers were received Monday evening, with many injuries reported.

On Tuesday, most of the explosives purchased out-of-town apparently had been set off, it was noted.

Extra tough, strictest purity and quality.

MRS. MAYNARD MERCER, a recent bride. Before her marriage at the Nameoki Presbyterian Church she was Miss Norma Belmer, a daughter of Mr. and Mrs. Ivan Belmer, 4127 Alton road.

MRS. HELEN GANTCHEFF

ON EUROPEAN TOUR
Mrs. Helen Gantcheff, 2122 Edision avenue, left this week by plane for a European study group tour arranged by Temple University.

The itinerary will include Portugal, Spain, Switzerland, Italy, Greece, Turkey, Austria, Belgium, France, England, Scotland, and Holland. The party will leave on the return trip from Amsterdam, arriving in New York Aug. 23.

ENTERTAINS SISTER

Mr. and Mrs. Henry Jones, 2732 Myrtle avenue, had as their brother-in-law and sister, Mr. and Mrs. Thomas Simons and their daughter, Judy Freeman, of Dallas, Tex. The visitors left Wednesday to spend the remainder of the week with other relatives in Paris, Tenn.

Mr. Henry Jashine and children, Robert, Brian, David and Annette, of Burnet, Tex., are here for a visit. Mr. and Mrs. Jashine, Mr. and Mrs. Fred Shup, 613 East Chain of Rocks road,

GO TO CHURCH SUNDAY

Plant Worker's Legs Broken As Coils Fall

A Madison man, 37, suffered fractures to both legs yesterday when he was struck by five steel coils while at work.

He interned in 1955-56 at the Colorado General Hospital in Denver, and was in the Army from July 1956 to June 1958, serving at the Army Hospital at Fort Leonard Wood, Mo., as a psychiatric warrant officer and being chief of the neuropsychiatric service.

Mikolaszuk, who works in the steel joist department, was using a coil bender, a large machine with strip steel coils when the accident occurred, a spokesman for the company reported.

The machines are loaded from a bundle of seven coils which stand upright, it supported by an upright post.

Mikolaszuk, a 15-year employee of the company, and his helper, had transferred two of the coils to the coil bender. The remaining five slipped from the support and fell against his legs. He suffered compound fractures, both legs, and a dislocation of the right ankle. He was taken to St. Elizabeth Hospital where he is

Venice Custodians Get
\$18-Month Pay Boost

Miss Marie Shambro was employed as office clerk.

Contracts Awarded
Graham's Bookstore was awarded a contract for furnishing athletic goods and supplies on a quotation of \$1319. Lowell Campbell listed \$1803.

Graham's also received the 1961-62 magazine contract, at \$457, while the low price of \$439 came from the Mayfield Co. of New Jersey. The board voted to award a maintenance contract to the local firm on Sept. John O. Pier's recommendation.

Pier said the difference would be overcome during the year in which the new contract is in effect, adding: "We have had trouble in the past with distant companies." Prices were sought from six firms but only two responded.

Blackwell-Wieland Co. was awarded a contract for furnishing all dito, mimeograph, writing and drawing paper in the school district for the coming year for \$1497. Graham's listed \$1626 for the same items and Blackwell-Wieland Co. and Tammie Powers & Supply, submitted prices on a portion of the contract.

The board accepted the resignation of Miss Jessie Mitchell as superintendent, effective July 15, and filled the vacancy by promoting Miss Patricia Williamson, now an office clerk, to Miss Mitchell's position.

Approved for payment during the year were June bills totaling \$1498. The amount of \$157 in the educational fund, \$341 in the building fund and \$10 in the school lunch fund.

Help From Moose

Mercer Climbs Back Into 1st Place With 13-3 Win Over Hearts Tuesday

Mercer Funeral Home 13,
Sacred Heart 3

Moose Lodge 12, McAtee
Glass 11

Collinsville 5, Maryville 1
Troy 3, Pocahontas 2 (11 in-

nings)

White City 8, Carpenter 4

With a helping hand from the

league's winningest team, Moose

League No. 4 of East St. Louis,

McAtee Funeral Home and Gran-

ite City, the Hearts got into a

place in the Blue division of the

Southwestern Illinois Inter-City

Baseball League Tuesday after-

noon.

Making the most of 11 hits

Mercer bombed its rival Sac-

red Heart 13-3 to break a five-

game losing streak and regain

the front position in the

Blue loop when the Moose

tumbled McAtee Glass 12-11 in

East St. Louis.

Lead By Full Game

Latitude 45, Inc., 4-C action

began with the Glassmen a few

percentage points ahead of Mer-

cer. It ended with Ollie Miller's

clubhouse gamblers the good

with an 8-4 victory. Paul Hol-

meyer's clan dropped to 6-6.

Moose Lodge, with a two-

game lead in the Red division,

stretched its margin to four

games, currently the longest

among the 10 I-C teams, with a

from-behind win over Mc-

Atee.

Collinsville's Boosters pre-

vented the Moose from lengthen-

ing the lead by stopping last-

night. Maryville, which had won

11 innings to edge Poca-

hontas 3-2 and White City made

Carpenter an 8-4 victim in other

July 4th action.

New Heart Manager

The Hearts, operating for the

first time under new Manager

Arvel Price, matched the Mer-

cer hit total with 11, but could

not get baserunners around the rectangle.

They got off to a quick start against Jack Buente, scoring two runs in the first. Larry Dial's game-winning double put the Hearts in the lead, which was de-

feated. Moose Club this season, advancing a 9-0 whitewash on June 11.

The Hearts will play at White City Sunday, and Carpenter and McAtee Glass will hook up in the league's first doubleheader, at East St. Louis, beginning at 1 p. m. Sunday.

Williams bunched most of its scoring in the middle innings. Four runs came across in the fourth when Heart started and two more in the fifth when Dial and Buente and gave a 1-0 lead to Don Crabtree. Dan Clutter, Charles Johannigmeier and Rudy Dillard followed.

Williams bunched most of its scoring in the middle innings. Four runs came across in the fourth when Heart started and two more in the fifth when Dial and Buente and gave a 1-0 lead to Don Crabtree. Dan Clutter, Charles Johannigmeier and Rudy Dillard followed.

In the Mercer fourth, Buehler again walked, took third on Crabtree's double and crossed the plate. Carpenter identified the walk as a bunt, but Buehler belted a long triple to score Crabtree.

The barrage continued in the fifth on Rudy Dial's ace and back-to-back triples by Ken Cook and Don Dillard. Dillard scored on an infield error, and Mercer led 10-2.

Guthmann scored the fifth when he bunt fly cleared the Heart centerfielder for a four-base error. Rich Branding's base on balls was followed by a walk to Cook, who hit an error and an error which C. O. Cook reached first safely allowed another run to score.

Mercer needed for the 13th time in the ninth when Dillard was safe at second on an error and Cook singled him home.

Big Surprise

On Sunday, Mercer will play Pocahontas at Wilson Park, while the Hearts will visit the Red Birds in Troy. Probably the

Hearts will be the surprise.

MORE ABOUT

Boy, 2, Hit By Car

(Continued from Page 1)

Lowell F. Clinton, 22, east St. Louis, was involved in a collision of northbound cars at Third street and McCambridge avenue.

Madison police listed damage

the right front of the car of

Ralph Spiller, 34, of 1312 Twenty-third street, and the left rear of

a garage, and the left rear of

Clinton's vehicle. Spiller was

charged with reckless driving,

being released until a hearing

July 22.

Car Hits Tree

A St. Louis driver, Harold Joeseph Rhodes, 29, hit a tree in the 1700 block of Madison avenue Tuesday morning about 6:45 a.m. Rhodes turned Granite City, Mo., that

while he was traveling north on

Madison he lost control of the

car and it hit a tree.

Police said Rhodes suffered

minor cuts and bruises.

In the Mercer fourth, Buehler

again walked, took third on

Crabtree's double and crossed

the plate. Carpenter identified

the walk as a bunt, but Buehler

belated a long triple to score

Crabtree.

The barrage continued in the

fifth on Rudy Dial's ace and

back-to-back triples by Ken

Cook and Don Dillard. Dillard

scored on an infield error, and

Mercer led 10-2.

Guthmann scored the fifth

when he bunt fly cleared the

Heart centerfielder for a

four-base error. Rich Branding

's base on balls was followed

by a walk to Cook, who hit an

error and an error which C. O.

Cook reached first safely allowed

another run to score.

Mercer needed for the 13th

time in the ninth when Dillard

was safe at second on an error

and Cook singled him home.

Big Surprise

On Sunday, Mercer will play

LT. COL. CARMELO DeSIMONE, standing, outlines the role of engineer packaging to other supervisory personnel in a regular monthly "Supervisors' Luncheon" at the Granite City Engineer Depot. DeSimone represented the depot's engineer packaging technical office, which sponsored the luncheon.

The FORUM

BUSES TO OPERA, BALL GAMES, END PROBLEMS

To The Editor:

Hats off to the Community Coach Co. for the excellent service they are giving to and from the several baseball games and the Municipal Opera in St. Louis.

Last Saturday evening my wife and I attended the Open Bus at 21st and State street and were much surprised to find only five passengers up to this point. One other passenger got on after running up and off for the trip. It is very obvious that the bus company cannot continue to furnish the service unless more people take advantage of it. It would be regrettable if this service were discontinued.

The bus used was deluxe, in the way and made comfortable and all for a very nominal charge. In my opinion it is the ideal way to get to and from the various games and Municipal Opera, both of which are worth while and enjoyed by many people in the Tri-Cities.

To add to the pleasure of these trips, the friendly and jovial spirit of the passengers and the quips indulged in between them and the driver who in this case was a young man of 20 years.

All this adds up to a feeling of complete relaxation and freedom from parking and traffic problems.

This was not written with any thought of giving the bus company a plug or free advertising. It is the desire of the author to let the public know of the good service and to urge the public to take advantage of same.

—RICHARD (Dick) MORGAN

PREFERS ELECTION OF SUPT. OF STREETS

To The Editor:

I have been reading with interest the S.I.U. recommendation concerning reorganization of our city government. It makes me feel that it would be a citizen's duty that takes such a far-reaching view. I think the Mayor and Councilmen are to be commended for having such a study made.

There is one part of the report that concerns me greatly. This has to do with the reporting of an elected official, the Superintendent of Streets. I have never met Mr. Warfield, nor do I know the man. I only know his work.

Readers are invited to contribute to this column. Name and address must accompany letter. Letters will be read, but only a portion will be published, if necessary, and a reply is requested. Letters may be 250 words or less.

I hate to lose my right to elect our public servants and right to reelect a good one.

I wonder how many of you feel the same way?

BILL DUGAN, JR.
3209 Erie Drive

READER DEFINES REPUBLIC

To The Editor:

The fourth of July will be here soon. The Pledge of Allegiance and the Flag in states in part "and to the Republic for which it stands." June 22nd issue of the Press.

On the record our honorable Mayor says, "Speeches by Vice-President Johnson and Undersecretary of State Bowles have emphasized the necessity of winning borderline or neutral nations over to American democracy."

In describing the role of the engineer packaging parts packaging office and the engineer packaging technical office in the depot's operations, Lt. Col. Carmelo DeSimone, supervisor of the maintenance of the national packaging effort, the need for packaging, and the future of engineer packaging.

Mal. Thorne outlined the operation of the electronic accounting machines. Using a series of slides, he illustrated various types of electronic accounting machines in use at the depot, showed samples of the step picture of how a weekly job order cost summary is prepared.

BIRTHDAY CELEBRATION

Mr. and Mrs. William C. Schmidt, 1004a Niedringhaus avenue, celebrated the fourteenth birthday of their daughter, Louise Schmidt, with a weekend party in their home.

Guests present were Mr. and Mrs. Louis Aleman and children, Susan and Dupree, Fairview City, and Mr. and Mrs. Hayes of Kentucky, Mr. and Mrs. Gilbert Carrizalo and children, Michael and Gil Jr., and Mrs. Dorothy Kirk, children of Schmidt and Linda, Mr. and Mrs. Joe Avedisian and daughters, Carol and Karen, Miss Michele Schmidt, Miss Mary Petillo, Miss Geraldine Camacho and Anthony Crasserez.

Dinner was served by Mr. and Mrs. Schmidt, and refreshments of ice cream, cake were served later in the evening. Miss Schmidt received many gifts.

12TH BIRTHDAY

Nina Darakjian, 614 Niedringhaus avenue, was honored at a party given Sunday to celebrate her twelfth birthday.

Guests at the dinner were Mr. and Mrs. Charles Tatosian, Mr. and Mrs. Harry Torosian, Mike Torosian, Mr. and Mrs. Tolman, Abraham Tatosian, Casper Nigosian, Miss Giragosian, Casper Nigosian, Miss Durkjian's, grandmother, Mr. and Mrs. Tatosian, and her sister, Miss Janet and Miss Margaret Darakjian.

Dinner and refreshments were served by Mrs. Valentine Darakjian. The honored received several gifts.

HOLIDAY VISIT

Mr. and Mrs. Melville Hortigian of Missouri arrived here Monday evening to visit Mrs. Helen Kachigan, 714 Niedringhaus avenue.

Mr. and Mrs. Hortigian stayed for two days with Mrs. Kachigan, who had planned a William Tell program for the Fourth of July. Mr. and Mrs. Mike Krekorian also were present at the picnic, at which the main dish was shishkebab.

HOME FROM FLORIDA

Mr. and Mrs. Sam Hagedorn, 1731 Olive street, returned from Miami, Florida, Monday. They had been vacationing in Florida for two weeks.

Revival Meetings At Church Of Christ

A series of nightly evangelistic meetings has been scheduled at the Church of Christ, 260 Canyon street, it was announced today.

Evangelist Edwin DeVries will preach at the meetings beginning at 8:30 p.m. Monday and each night through Saturday through July 23. Song services will be held each session.

Mrs. Dorothea Haddock, 77, Succumbs In Troy

Mrs. Dorothea Haddock, 77, of the Rosewood Nursing Home, Troy, passed away at the home Tuesday morning. She had been ill two years.

Mrs. Haddock was a Granite City resident most of her life. Until a year ago, when she moved to 1640 Delmar avenue, she was born in St. Marie, Ill., and had also lived in East St. Louis.

Her husband, Frank, died in May 1960. He had formerly worked at General Steel Industries, Granite City Steel Co., and Illinois Power Co. Mrs. Haddock was a daughter of the late Mr. and Mrs. Martin Barthelme.

She is survived by a son, Alfred Shearlock of Troy; a sister, Mrs. John (Mrs. John) St. Louis; a brother, Eugene Barthelme of Lenzburg, Ill.; two grandchildren and a great-grandchild.

Funeral arrangements are given in the obituary column.

Monthly Sessions Aid Depot Supervisors

Supervisors of the Granite City Engineer Depot are getting first hand reports on the operations of departments other than their own in a series of monthly sessions.

At the recent luncheons, depot supervisory personnel heard reports on engineer packaging, presented by Lt. Col. Carmelo DeSimone, supervisor of the Depot's new electronic accounting machines, given by Maj. Thomas Thorne.

In describing the role of the engineer packaging parts packaging office and the engineer packaging technical office in the depot's operations, Lt. Col. Carmelo DeSimone, supervisor of the Depot's new electronic accounting machines, given by Maj. Thomas Thorne.

Mal. Thorne outlined the operation of the electronic accounting machines. Using a series of slides, he illustrated various types of electronic accounting machines in use at the depot, showed samples of the step picture of how a weekly job order cost summary is prepared.

To add to the pleasure of these trips, the friendly and jovial spirit of the passengers and the quips indulged in between them and the driver who in this case was a young man of 20 years.

All this adds up to a feeling of complete relaxation and freedom from parking and traffic problems.

This was not written with any thought of giving the bus company a plug or free advertising. It is the desire of the author to let the public know of the good service and to urge the public to take advantage of same.

PREFERS ELECTION OF SUPT. OF STREETS

To The Editor:

I have been reading with interest the S.I.U. recommendation concerning reorganization of our city government. It makes me feel that it would be a citizen's duty that takes such a far-reaching view. I think the Mayor and Councilmen are to be commended for having such a study made.

There is one part of the report that concerns me greatly. This has to do with the reporting of an elected official, the Superintendent of Streets. I have never met Mr. Warfield, nor do I know the man. I only know his work.

Mrs. Dorothea Haddock, 77, Succumbs In Troy

Mrs. Dorothea Haddock, 77, of the Rosewood Nursing Home, Troy, passed away at the home Tuesday morning. She had been ill two years.

Mrs. Haddock was a Granite City resident most of her life. Until a year ago, when she moved to 1640 Delmar avenue, she was born in St. Marie, Ill., and had also lived in East St. Louis.

Her husband, Frank, died in May 1960. He had formerly worked at General Steel Industries, Granite City Steel Co., and Illinois Power Co. Mrs. Haddock was a daughter of the late Mr. and Mrs. Martin Barthelme.

She is survived by a son, Alfred Shearlock of Troy; a sister, Mrs. John (Mrs. John) St. Louis; a brother, Eugene Barthelme of Lenzburg, Ill.; two grandchildren and a great-grandchild.

Funeral arrangements are given in the obituary column.

Bond Drive At GC Depot Nears Completion

Sixty-nine savings bonds worth \$1,725 when they mature in 10 years have been sold through to-day to employees of the Granite City Engineering Depot in the bond drive, Mrs. Pauline Weir, savings bond officer, reported.

Convinced that bond-buying offers a safe, sure way of saving money, several bond buyers have put in their bonds year after year. They were honored at a celebration of the 20th anniversary of the payroll savings plan and Depot savings bond drive.

Edward Ermer, chief of the maintenance division, has been a bond-buyer since they went on the market in 1941, Mrs. Weir said. He claims his bonds provided college education for his two sons.

Other top bond buyers, who have been buying them since 1941, are Louis Koch, John Howey, Lowell Williams, John Estel Threlkeld, Calvin Epperson, Odell Holloway and Theodore Albrecht. All but Edward Ermer have one bond held.

This year's bond drive ends tomorrow. Employees were permitted to buy the bonds on a two or three-month installment plan.

All but Edward Ermer have one bond held.

New City Budget May Be Aired Late This Week

Granite City council members placed the 17 committees of last including Acting Mayor Walter Nunn, expressed concern Monday night that no information had been presented on the 1961 budget which is to be adopted this month.

Nunn pointed out that few aldermen were present, shooting it downers were reported to Granite City police Monday afternoon. The incidents occurred in the 2500 block of Waterman avenue, in an alley in the 2800 block between Myrtle avenue and Nameoki road and in the 1500 block of Drury and Garden drive.

Last year's city budget amounted to \$1,458,477, a reduction from the \$1,518,812 budget for the 1959-60 fiscal year.

Progress Being Made

Alderman Frank Vesic, member of the Finance committee, told council members Monday night that Alderman Paul Rutledge, that progress was being made and that data probably would be available by the end of this month.

It is likely a special meeting or committee session of the council might be called for either this evening or tomorrow evening to go over preliminary figures.

Vesic added that meetings have been held with the manager of City employees, but that he was not prepared Monday night to give a detailed report. "We should have that information by next week."

Compatriot John Dooher, who was called upon to represent the public utility industry, said he had conferred with all department heads and was working on the proposed budget. "What information we have is that the budget is being prepared," Dooher added.

Points To SUU Study

Nunn pointed out the government study made by Southern Illinois University, that the aldermen and public should be kept informed of actions by the SUU.

"As far as I know," Nunn said, "there's about six aldermen have any details on the budget. We can't be informed if we don't see the budget until it's adopted. I think it's important to be too late than to get enough votes to pass it."

Also commented on the budget of preparation, Alderman Casper Sibbush said he had been conferring with the comptroller and that prospects of holding the budget down did not appear too bright.

"If we follow the SUU report, we'll be spending a lot of money," Sibbush said. "I just don't know if we can afford to look at our income. We must face reality," he told council members.

Mr. and Mrs. Samuel Whittemore told the council he was certain the Finance committee would call a meeting when the budget was prepared.

Other Criticism

Other criticism was voiced during the council session concerning functions of the eight new committees which have re-

EDITORIAL

Legislature Has Given Solid Footing For Drainage, Recreation, Port Progress

On balance, the record of the 1961 session of the Illinois General Assembly must be ranked as one of the best in history from the standpoint of legislation beneficial to Quad-Citians.

Towering in the forefront of the many bills passed and sent to the governor are those paving the way toward meeting Granite City drainage needs emphasized again by last year's flooding—and supporting legislation for development of a state park at Horseshoe Lake.

Legislators also can be applauded for requiring future lever district bond referendums and tightening its reporting procedure, clarifying Tri-Region Regional Port District bonding authority, appropriating funds authorized in the state bond issues, and establishing a uniform minimum assessment setting a uniform minimum docking fee of 2½, lowering presidential voting residence requirements, increasing penalties for election law violators, permitting absentee voting due to religious holidays, applying minimum nomination rules to write-in candidates, authorizing county law libraries, creating extra fees on "piggyback" railroad runs, creating a commission to study tax assessment, extension and collection, and submitting a dual revision to voters next year.

Also on the credit side, the assembly did not double the city sales tax, adopt branch banking, a seven-member East Side lever board, a referendum on legalizing bingo, a bill shortening daylight saving time or a sharp franchise tax boost that would have been industry's last straw.

The same sales tax is bitter pill for fringe areas like the Quad-Cities, although it seemed inevitable from the start due to the state's expanded spending plan. It is also unfortunate that Illinois missed a \$4,400,000 federal bonus by not eliminating billboards on interstate routes.

Failure by the state included lack of action on East Side lever district minority county representation. Congressional restrictions on relief for counties were partially nullified by a new court ruling on tax rates, tighter pinball game regulation, added race track taxing, front seat belts for autos and a proposed anti-crime commission.

In summary, however, the good affecting this area far outweighed the bad during the lawmaking session just ended. With the door opened to cope with drainage and recreation needs, as well as to solidify port development planning, a foundation has been created for solid future progress.

Easy Access To Madison Business

District During Street Project

Badly-needed improvement of Madison avenue in Madison brings with it both good and bad points—narrower sidewalks but a wider, safer and smoother thoroughfare and elimination of trolley rails.

With the state requiring a raised divider in the center, and the city interested in preserving on-street parking, the widening became a necessity if 75% state financing was to be obtained.

While the loss of on-street parking will be permanent, displeasing to shopped-out stores along Madison avenue, it is good to learn of efforts to keep this summer's construction inconvenience at a minimum. With two-way traffic to be retained at all times and temporary parking prohibitions limited to a block or block-and-a-half at one time, the Madison business district will remain easily accessible to the public.

New Fire Stations Should Be Related To Overall Fire Needs

Construction of ranch-type fire stations for Granite City residential neighborhoods is an interesting proposal, but we wonder if it should be restricted to replacing the present No. 2 and 3 stations. The SU study concluded that the West Granite station is "inadequate" but said the Nankoki road station is "fairly serviceable," adding that a fourth Granite City station is needed for the growing southeastern fringe area.

Since the new main fire station was not con-

structed in full accordance with national and state recommendations for this community, it would seem wise now to consider in detail the available reports and recommendations before proceeding with further construction.

Part of one or two of the existing stations should be replaced, but this should be done as part of an overall program for further fire department improvement. Balancing the available funds with the facilities, equipment and manning that are needed.

For any new or replacement stations that are built, the design should be similar to that of homes—would be logical and not too expensive. Basic functions of a neighborhood fire station are to house men and trucks, for which bedrooms and garages serve admirably. The goal should be functional, but not elaborate, stations.

Most of the good things that come to individuals in life have to be paid for in some manner.

Summer—The Season Of Abundance, Serenity

It was Henry James who said, "Summer afternoon—to me those have always been the two most beautiful words in the English language." While we won't go quite that far, summer is clearly a special season, when sun and sky smile upon all and the world is filled with broad vistas of warmth, abundance and serenity.

"I delight in hot weather and ask for nothing better than to bask in the sunshine," J. B. Priestley wrote. William Ernest Henley spoke of "summer's golden languor" and Alfred Noyes of "summer's a wonderland." The phrase "glorious summer" is encountered frequently. Even Shakespeare used the description, "sweet as summer."

Those who must cope regularly with mowing chores will hardly agree with F. Scott Fitzgerald, who asked, "Is there anything more sooth than the quiet whir of lawnmower on a summer afternoon?" More to our liking are the words of Alfred Noyes, who said, "Summer was the great time," and recalled the days when his mother would conclude it was "too hot" and decide on a day at Coney Island."

New Air Pollution Link With Ill Health, Death

Added impetus to the current move for control of auto exhaust fumes is given by a new World Health Organization report. A study of air pollution, including the historic smog in Belgium in 1930, Donora, Pa., in 1948 and London in 1952, shows a relationship to bronchitis, lung cancer, heart disease and other disorders.

The report cites a recent problem Los Angeles, with three million auto drivers polluting gallon of gasoline daily and the air heavily polluted 60 days of the year. A law requiring exhaust filter devices is expected to reduce air pollution there and also could show the way to longer life elsewhere. From a health standpoint, the WHO concludes, pure air is important.

Theory is all right for the books but it takes practical expression of ideals to make life better.

Girl, 4, Walks Into Car; Escapes Injury

A four-year-old girl escaped injury yesterday when she walked into the right front fender of a car at the intersection of Charles and Edwards streets.

Kyle Young, 4, of 800 Kirkbride, Homes was crossing Edwards street when she walked into a car driven by Billy F. Swindle, 29, of 2330 (Edwards street). The vehicle was headed west on Edwards when the accident occurred. Swindle told Granite City police that he did not see the pedestrian.

Experience is the sum total of a man's blunders.

Hillmer Reappointed To Jury Commission

Reappointed to a three-year term on the three-man Madison County Jury Commission was Harold Hillmer, 38, of 2680 Cleveland Blvd. His term which expired June 30 was extended to June 30, 1964.

Hillmer, an industrial engineer for the Laclede Steel Co., was reappointed by mutual agreement of all judges in the county courts. He is expected to maintain a bond of \$1,000. He has served as jury commissioner since 1958.

The commissioners draw the names of persons in the county who will be called to qualify to serve for jury duty at the Edward W. Cook, Jr. courthouse. The other two commissioners are Everett Howard of Wood River and Alliston Gansmann of St. Jacob.

HOSPITAL NOTES

HONORED ON BIRTHDAYS

Mrs. Normie Meadows, 218 Illinois Avenue, whose birthday is July 4, and her son, Donald M. Meadows, 19, of 1010 1/2 Main, 3, were honored at a joint birthday dinner this evening at the restaurant of Mrs. Meadows. Mr. and Mrs. Donald G. Gordon, others present were Mrs. Gordon, Donald and Nancy, and Mary Beth and Bruce Gordon.

Mr. and Mrs. William Anderson, and daughters, Judy and Jean, recently of Toledo, Ohio, made a special visit with Mrs. Anderson's father, John Butler, and other relatives. They were accompanied by Mrs. Anderson's daughter-in-law, Mr. and Mrs. Bill Anderson, who had joined them at the Butler home Monday.

Miss Jeanie Taylor of Wyatt, Mo., who was visiting Mr. and Mrs. Henry Raub, 1001 1/2 Hayes Street, and other relatives. She will return to her home tomorrow.

**Veeder Named To
Midwest Stock Exchange**

Nicholas P. Veeder, chairman and president of Granite City Steel Co., has been named a principal advisor to the Midwest Stock Exchange, Chicago. It was announced today.

One of six men selected to serve for at least a year and then will be eligible for re-election.

Four of the six advisers are to represent the public's viewpoint in determining exchange policies.

Veeder, 52, has served as chairman and president of the steel company since 1958, resides in Clayton, Mo.

**HOME OWNERS INSURANCE,
CALL REINHARDT.**

25 YEARS AGO

The following items were taken from the files of the Granite City Press-Record.

Thursday, July 9, 1936
The federal government Tuesday day appointed a panel of the state of Illinois to raise the maximum amount of relief payments from \$15 a month to \$30.

George Stearns, N.ameok township clerk, presided over town meeting Tuesday night at which a unanimous vote of tax levy was unanimously passed.

Dewey McDaid was elected secretary of the Venice board of education Monday night by unanimous vote at the board's regular meeting. He replaced Mr. Craycraft, who had resigned.

Eight heat prostration cases have been treated in Granite City in the last three days. Only one person was admitted to the hospital.

A week of solid over-100 de-

grees heat was broken last night by a light shower. But the heat returned immediately after the rain.

Mrs. John Lewis, Mrs. Earl Henson and Mrs. Gus Rydick were co-hostesses to the pep class at a monthly meeting of the Red Cross in the Madison Presbyterian Church.

Ladies of the class attending were Mrs. Floyd Harland, Mrs. Jack Taylor, Mrs. William Douglass, Mrs. John Richardson, Mrs. Thomas Richardson, Mrs. Marion Fogle, Mrs. Celia Kendall, Mrs. Aaron Brien, Mrs. John Hunsaker, Mrs. H. George, Mrs. William George, Mrs. Linton McCoid and Mrs. McCoid.

Madison Postmaster George Stearns returned home Monday from several weeks at the Army and Navy Hospital, Hot Springs.

Mr. Stearns, a N.ameok township clerk, presided over town meeting Tuesday night at which a unanimous vote of tax levy was unanimously passed.

Dewey McDaid was elected secretary of the Venice board of education Monday night by unanimous vote at the board's regular meeting. He replaced Mr. Craycraft, who had resigned.

Eight heat prostration cases have been treated in Granite City in the last three days. Only one person was admitted to the hospital.

A week of solid over-100 de-

Granite City PRESS-RECORD

Page 16 Thurs., July 6, 1961

Rapid progress is being made in the resurfacing of the center in the resurfacing of the center strip of Niedringhaus avenue from Cleveland to Madison. Work began Monday and today nearly three block of abandoned street car rails have been removed and the asphalt has been poured and a solid paved street from curb to curb.

Mrs. Helen Dawson was hostess at a dinner party Tuesday evening for her bridge club and entertained seven guests. They were Mrs. Maxine Chappell, Mrs. Edgar Schill, Mrs. Harry Lindhorst, Mrs. Robert Ruppel, Mrs. Bethel Rhodes, Mrs. Helen Honors and Mrs. Ruth Williams.

Misses Reva Bowman and Irene Smith will leave on a tour of Buffalo, Detroit, Niagara Falls and Canada. They will be gone one week.

2 Venice township tax collection totaled \$130,504 for this year. Collector George Darling said today. The tax books are now being sent to the county treasurer's office in Edwards.

Miss Irene Moyer, Miss Jeanne Kasten, Miss Jean Simon, Miss Florence Lillenthal, Louis Lillenthal, Harry Fields, Sol Steinberg, Charles D. Johnson, Mrs. Charles E. Eason, Alex Weiss and three new members, Morris Oberman, Sol Weinstein and Henry Newmann.

Mr. and Mrs. W. W. Johnson, 2516 Benton street, will leave Wednesday for a vacation in Richmond. Norfolk and other Virginia cities. They will visit Mrs. Johnson's former home at 2527 Danmar avenue, celebrated her birthday Sunday in a garden party.

Children present were Mary Jane and Billy Huff, Jean Ann and Buddy Spicuzza, Bobbie Delcourt, Larry Kuhle, Jean Schermer, Mrs. Alice Kuhn, Mr. and Mrs. Clemens, Richard Branding, Millicent Branding, Billy Rode, Jeanne Schermer, Betty Lee McKeown, Peggy Howe, Virginia and Wilma Branding, Carol and Audrey Roman, Marcella Wil-

Madison Ave. Widening Slated To Begin Monday

With some water meters still to be moved the start of improvement of Madison avenue in front of the post office is now tentatively scheduled for Monday, July 10.

Initial phase of the project will widen the west side of Madison, moving southward from Seventh street toward Second street. The Granite City is handling the widening, sidewalk cutting and replacement, track removal and street resurfacing.

Be courteous and kind to others—optimism and cheerfulness are the world's best tonic.

All Prices Effective Thru Sat., July 8th.

Rural Route
MRS. MABEL KENNEDY
3833 Lake Street
TR. 6-5040

BIRTHDAY OBSERVANCE
William Durhov celebrated his birthday today with a barbeque at the Durhov home on Rural Route One. Two cakes were centered on the table.

Guests present were Mr. and Mrs. Warren, Curt and children, Carl and Mrs. St. Louis, and Mrs. Marvin Ross and children, Jeffery, Gregory and Timothy of Venice, Mr. and Mrs. Cleary and children, Todd and Kirk of Moline, Mr. and Mrs. Jack Green and children, Michael and Phyllis, Mrs. and Mr. Durhov and daughter, Cindy, Mr. and Mrs. Dale Durhov, and Mr. and Mrs. of Madison, David Lee and Carol Durhov and Ethe and William Durhov of Granite City. The honoree received many gifts.

SURPRISE PARTY
Les Wilkerson was surprised with a birthday party Monday night at his home, 4020 Park Lane.

Several decorated cakes centered the table, and refreshments were served to Mr. and Mrs. Roy Hill, Mr. and Mrs. Sam Platt, Mr. and Mrs. William Hill, Mr. and Mrs. Roy Hill Jr., Mr. and Mrs. Arthur Haukins, Mrs. Gladys Gilmore, Mr. Brian, Mrs. Charles Boworth and children, Charles and Margaret Ann, Roy Platt, Mary Elizabeth Platt, Mrs. and Mr. and Mrs. of Granite City, Margaret and Tommy Wilkerson and Mrs. Eunice Wilkerson. The honoree received many gifts.

RETURN TO ARIZONA

Mr. and Mrs. Soley Martin of Rural Route One had as guests for the week and a half their son and son-in-law, Mr. and Mrs. Arthur Martin and daughters, Sherry and Vickie of Tucson, Ariz.

While here, they also visited his son, Mr. and Mrs. John D. Martin and Mrs. Harry Martin, and sisters and brothers-in-law, Sgt. and Mrs. Harold Becker and family, Donald Becker and Arthur Biering and family. The Arthur Martins left Wednesday and on the return trip home will visit Yellowstone National Park.

HOLIDAY BARBECUE

Mr. and Mrs. James Hoishire, 3829 S Street, entertained with a barbecue Tuesday evening. Guests were Mr. and Mrs. Tommy Thulli and son, Kenny, of Florissant, Mo., and Mr. and Mrs. Don Waters and children, Mrs. Dorothy, Carol, Michael and Bobby, of Alton. They were later joined by Mr. and Mrs. Charles Kennerly and children, Connie and Eddie.

Mr. and Mrs. Jack Harper and son, John, 3865 Lake street, returned Tuesday evening after spending the weekend at a lodge on Lake Huron near Arcadia, Mo.

Mr. and Mrs. Jacob Getteman of 3829 S Street, 3865 Lake street, Potosi, Mo., Sunday to take Charles Bringer, John Jones and Alan Getteman to Camp Sun-ner.

Jury Setting Starts Monday In City Court

A one-week jury setting in the sixteenth circuit, Granite City is scheduled for next week, starting at 9:30 a.m. Monday, with Judge Fred P. Schuman presiding.

Clerk of the Court Mrs. Helen Homan said eight lawsuits are scheduled for trial. The opening of the trial will be Constance Grotfeldt vs. Howard Baer.

Set for consolidated trial are the cases Joseph Holden vs. Harry Smith and James Dugan vs. Harry Smith.

Also on the docket are the following cases: Louise McElligott vs. Illinois Central R.R. vs. Alvin Thurman, executrix, vs. Wilbur Waggoner; Earl Angle vs. Roy E. Phillips; Dewey Williams vs. James Cantion, and Clarence Barthelmy vs. Louis Hagee.

Community Services Director To Be Named

Members of the Tri-City Trades & Labor Council interviewed with the United States Agency post of community services director, it was learned today from Edwin Rieske, president of the council.

The interviewees, selected last night's meeting at the Labor Temple, attended by 50 delegates from local unions.

Delegates said at least one other applicant is to be interviewed and he expects the director to be named at the July 19 meeting of the council.

Also at the July meeting, the council will elect new officers.

Arrests For Fighting

Both participants in a fight at the Place Tavern, 1136 Logan street, were charged with police with peace disturbance and fighting. John Bradley, 1136 Logan, and John W. Johnson, 1136 Logan, were released on property bonds to return for hearings Saturday.

Will Announce Nameoki Tax Totals Monday

Final Nameoki tax collection totals will be announced Monday by Collector Harold Massa said today.

Massa is still receiving mail

payments postmarked July 3, the tax deadline. By Monday, he said, the payments would be tabulated and sent on to the county treasurer's office in Edwardsville.

Charged with creating a dis-

MORE ABOUT

\$723,000 Budget

(Continued from Page 1)

Granite City PRESS-RECORD

Page 20 Thurs., July 6, 1961

County Sales Tax Funds May Be Shifted

The Madison County 1961-62 budget was presented yesterday at a regular meeting of the Board of Supervisors at Edwardsburg with a recommendation from Auditor John L. Kraynak that all sales tax money be placed in the general fund.

Kraynak suggested that sales tax funds now earmarked for construction of a county pavilion, however, now standing at \$14,000, be shifted over to the general fund.

Even with the shift, Kraynak predicts a deficit of \$10,000 for the coming year.

Educational fund — \$492,511 up \$701; building fund — \$77,031, down \$7,243 (municipal retirement); general fund — \$64,983; and non-excluded transportation fund — \$10,140, down \$3,631.

Under the new system, the non-excluded transportation funds are established for the first time* formerly having been included in one of the three major funds listed above.

Madison's revenue — \$97,900; working cash fund — \$64,983; and bonds and interest fund — \$71,649.

A breakdown of estimated income shows: education fund — \$492,531; municipal retirement fund — \$7403; transportation fund — \$10,141; bonds and interest fund — \$81,331; building fund — \$7,703; and working cash fund — \$20,906.

PROGRAM BY POLICE
AT CUB SCOUT MEETING

A meeting of Den One, Two and Three of Cub Pack One was held at the Granite City Scout House. The meeting was opened with posting of the colors and a pledge of allegiance.

Cubmaster Fred Rumpf reported on flag sales, the pack's current projects. Awards were presented to Robert McColl, a Webelos den chief, and Terry Rumpf, a Webelos den chief. The pack's representative gave a brief address.

Members of the Venice police department were present for the presentation of the department's plaque of appreciation.

Following the business meeting, refreshments were served by the hostesses, Mrs. Mari Yaeger and Mrs. Ethel Dunnaway.

Guests for the afternoon were Mr. and Mrs. James Haggard, Mr. and Mrs. John Haggard, Mr. and Mrs. Hazel Eaton, 214 Broadway.

The party was held on the lawn, and the afternoon was spent in games and decorated sandwiches, cake and ice cream were served to the guests, and the honoree opened many gifts.

Guests for the afternoon were Mr. and Mrs. James Haggard, Mr. and Mrs. Hazel Eaton, 214 Broadway.

Farm Column

By TRUMAN W. MAY

Madison County Farm Adviser

Highest producing herds in the Madison County Dairy Herd Improvement Association, ranked by milk production, were owned by Wally Seelbach, Vernon Warnecke, Norman Henke, Glenn Meffert, C. C. Becker & Son, Arthur Braundmeier, Vernon Becker, Clarence Sievers, Freda and Elmer Klemke.

Starting to harvest wheat before the grain is completely ripe is the main reason for poor production, according to the experts. Some operators rank premature cutting as the No. 1 cause of deterioration with damp weather. It is recommended that there is approximately 12 bushels of grain per acre per day less grain that can be harvested after

equipped with driers most elevators in that state will not accept wheat of more than 14% moisture. However the highest combining efficiency in harvesting wheat occurs when moisture, according to agricultural engineer William H. Johnson of the Ohio Experiment Station. He adds that in terms of optimum functioning of the combine, grain moisture should not be higher than 20%.

Cylinder loss increases as the moisture content increases, and the loss rates recommended on the label. Anyone planning to store oats or shelled corn for longer than 12 months should also profit by using this treatment. Treated grain may be fed to livestock or marketed as seed grain, and the market value is approximately 12 cents per acre per day less grain that can be harvested after

harvesting by the Illinois Association of Vocational Agriculture Teachers.

Insecticides are deadly to insects and pests. They're deadly to you if you eat yourself, too, unless you handle them with care. If you use any insecticides follow the manufacturer's instructions exactly, whether you are spraying or fumigating, or applying to the point of runoff. DDT should not be used for this purpose.

Treat the wheat with a premium-grade maturing protective spray. The rates recommended on the label. Anyone planning to store oats or shelled corn for longer than 12 months should also profit by using this treatment. Treated grain may be fed to livestock or marketed as seed grain, and the market value is approximately 12 cents per acre per day less grain that can be harvested after

harvesting by the Illinois Association of Vocational Agriculture Teachers.

Stored grain insect control can start now. With wheat harvest rapidly approaching, in fact already here on some farms, take steps to protect the new crop. Store old grain and other debris from bin spray of 2.5% premix methoxychlor at 0.25% methoxychlor to the point of runoff. DDT should not be used for this purpose.

Quad-City Traffic Injury Toll Passes 400

Injuries resulting from traffic accidents in the Quad-City area during 1961 passed the 400 mark this week after reaching 394 in the first six months.

Never before during a January-June period has this area had such a high injury list. Previous records for the first six months were 351, reached a year ago.

The total of 20 fatalities through June 30 also represented a new high. January-June 1958 saw 17 auto deaths, part of a total of 196 for the year. First six months of 1957 brought 16 fatalities, leading to a year's tally of 28; and the first six months of 1954 saw 15 deaths, part of a record tabulation of 44 that year.

821 Accidents This Year

This year's reports, along with the 394 for the first 20 weeks, also show 821 traffic accidents compared to 843 in the first half of 1958, and 829 in January-June 1957.

At the present monthly rates, 1961 would end with 1642 accidents, 788 injuries and 40 deaths. However, the pace usually in-

creases in the late fall and early winter, so the comparison shows six-month figures of 843-851-6 last year.

1958, 829-324-16 in 1957, 773-229-31 in 1956, and 542-203-17 in 1955.

81 Hurt During June

For the month, records of local county and state authorities report 130 vehicular crashes, 81

injuries and 16 deaths. Last year the monthly rates were 164-67-12.

GC Alderman Requests

New Table In Court Room

Granite City council members who are not attending their sessions in the third floor city court room in recent weeks, may return to the second floor courtroom in the near future.

During Monday night's session, First Ward Alderman Casper Casper complained of the "perforated" table at which he was seated.

"I'm going to meet regularly in the court room. I suggest we get new tables. This one has a half-inch break. Unless we can get a new one, I might just wait for a new one," he said.

Alderman Walter Nonn, who was presiding over the session on the absence of Mayor Davis, said the problem will be two weeks before the meetings were returned to the council room.

In the court room, the mayor sits at the judge's bench with the other two aldermen at two tables. In the council room, the 16 aldermen are all seated around a V-shaped table.

Street Oiling Program Begins in GC Today

Application of liquid asphalt and rock chips began today on arterial and non-arterial streets in Granite City, according to Supt. of Streets William Wartell.

First phase of the summer maintenance program, financed by motor fuel tax funds, is being applied to 120 streets in the West Granite area. Coatings for other streets in that area are to follow, Wartell said.

Streets will be barreled for a short time before spreading by asphalt and rock trucks, he said.

From West Granite, workmen will proceed to Maryland Heights and to other areas. The job is expected to be completed within weeks, weather permitting, Wartell said.

Contracts for material were let at the June 19 city council meeting to Maryland Asphalt Co., both of East St. Louis, and a St. Louis firm was awarded a contract to supply concrete materials for 120 feet of new curbs.

Under the motor fuel tax funds, the city has received 12,000 gallons of liquid oil for \$2,270; 62,800 gallons of liquid asphalt for \$10,676; 3,198 tons of rock at \$16.88; 1,000 tons of asphalt for \$1,800; 18,000 tons of liquid asphalt at \$3,060 and 616 tons of rock, \$3,552, were bought. All materials are being applied from trucks. Wartell, McClair is supplying 220 tons of cold mix asphalt for arterial streets at a cost of \$2,560.

Other materials include 30,000 pounds of package asphalt for patching at \$652 and the culvert concrete for \$192.

IT'S HIGH TIME TO BUILD THE LOW COST WAY

SIDELIGHTS from SPRINGFIELD

By Rep. PAUL SIMON

This session of the legislature is over, and this is the last roll call which will be written for the session.

In many ways it has been a depressing meeting of the legislature — depressing because a cause that should have happened, did not happen, and many bills which should not have passed were indeed passed.

It was marked by tax increases on those who can least afford them (the poor), tax increases that could have come easily (the race track, for example). Even more ominous, the legislature has seen on some legislation, defeating a much-needed crime commission and placing hurdles in the way of other executive legislation to combat crime.

I have served four terms, but this is my most discouraging session.

It would be only fair to add that there was much good legislation passed also — and when action was taken against the people's interest, in reality the people have only themselves to blame.

Most citizens pay little attention to their government — unless, perhaps, a bill is proposed which directly affects their personal or property rights.

During this past session I have heard from far less than one percent of the people in my district, and received more mail than most legislators. In most districts in the state a majority of the citizens don't even know who their legislators are, and have no idea how their legislators vote.

"It doesn't make any difference whether I do a good job or a poor job," is a comment some legislators frequently make. "No one in my district pays any attention to me."

GC Police Receive 17 Firearm Complaints

Varying from throwing the missiles from moving cars to just playing with them in neighborhood alleyways, the 17 complaints filed with Granite City police from 9 p.m. Monday to 1 a.m. Wednesday.

The usual procedure in answering such calls is to locate the guilty parties and reprimand them before sending them home. No arrests were made.

Vandals Cut Cycle Seat

James A. McLaurin, 2400 Delmar Blvd., was arrested Saturday night when his motorcycle was parked in the 2400 block of Illinois Avenue vandals cut the seat.

The hope that with all of this is that those of you who are reading these words are probably not the offenders — even though you may do more to make your friends, neighbors and organizations take a greater interest in what is going on.

In closing, I would like to thank my wife who has been helping this column out each week to more than 300 newspapers; the editor of the world's air conditioner. In the words of an old poem, "May your tribe increase."

Driver Heers Car Hit

Diana Simpson, 16, of 2028 Lindell Blvd., told Granite City police Monday night that she had just parked her car at the REEDERS & STORM EMBERTS REPAIRED, GRANITE CITY when she heard a crash and GLASS, IRTH & EDISON.

Two-Car Collision As Driver's Brakes Fail

A driver who said his brakes failed and he was unable to return to his lane when an oncoming car cut short a passing attempt, was injured when he collided with the oncoming car Monday evening.

State troopers said Bud J. Dwyer, 20, of the 1911 Sieken Street, was driving his 1957 4-door 195 p. m. crash on Route 162 just north of the railroad crossing. Both cars were damaged.

The other driver, westbound, was Donald Divine, 38, of Collierville, also uninjured.

Rainfall For 6-Month Period 5.16 Inches Above Normal

Downpours in May and June produced the second highest rainfall total in the Quad-Cities, 5.16 inches above normal, according to the gauge maintained by the U. S. Army Corps of Engineers at the Clinton Rock City.

Since 3.75 inches of rain fell in June to put the six-month total at 24.48, but the largest contributing factor was the 9.31 inches of rain in May. Normal amount for the six-months is 15.32 inches. Amount for the same period in 1960 was 16.92. The period from the fourth wettest to the twenty-first was recorded for the last day of the month.

The driest month in the six-month period was January, when 8.74 inches of precipitation was recorded. However, eight inches of snow accumulated during the month.

In February, 2.74 inches was recorded, with a total of 9.75 inches of snow covering the ground. Figures for other months are March, 4.96; April, 2.87; May, 9.31; and June 3.73.

During May, 1.79 inches fell in a one-month period, flooding down streets and minor streets. It topped the June 30 rain of 1.75-inch which was not

exceeded until 8 a.m. July 1st.

Rainfall readings made during June include .35-inch on the third day; .20 on the fifth; .10 on the 13th; .40 on the 14th; .43, the following day; .01 on the sixteenth and a trace of rain on the twenty-first. .25 was recorded for the last day of the month.

Fewer Accidents For June, Year Here

Both the six-month and June auto accident rates in Granite City, which hit an all-time high last year at this time with 531 and 82, fell back in 1961 to a total of 502 for the half-year and 78 for the month.

Police predicted at the start of the month that 77 accidents would occur. That figure, after their unexpected adherence to a comparison with monthly records of past years, with percent age allowances for an increase

in traffic and "changing conditions," was exceeded.

A tabulation of records compiled last month revealed that the most hazardous street in town for accidents was, as usual, Madison avenue.

Twenty-one drivers selected

the thoroughfare for a variety

of accidents during June, which saw a city-wide total of 78 rampages, 21 of which were attributed to a car hitting a house. Altogether 38 persons were injured, none seriously.

The total number of accidents reported in bed was June 2, when 10 crashes were reported. Five accidents occurred June 10, and four more reported on six days—June 7, 13, 15, 16 and 23.

Three accidents occurred on June 5, 6, 8, 14, 24 and 26, and two on June 11, 12, 17, 19, 21 and 29; one on June 1, 8, 18, 21, 25 and 30. No accidents of any type were reported for the days June 21, 22 and 28.

35 Two-Car Accidents

Most frequent type of accident was between two cars, and police reported 35 times.

Parked vehicles were hit 18 times, including three by hit-and-run motorists.

Five auto-truck collisions and four auto-bike crashes were recorded. Three pedestrians were struck by auto, and auto hit two other accidents involving three cars and one involved three cars and a trailer.

Also reported were motorcycle and truck accidents, an overturn, and bicycle crash, an overturn, a hit-and-run accident involving a car and a railroad

control box, and an auto which hit a house were reported.

Other streets on which accidents occurred were Niedringhaus avenue and State street, with one each; Dolmar avenue and 19th street, four each; Edison avenue and State street, three; and Grand avenue, Edwards street, Johnson road, 16th street, 25th street, 18th street and Missouri avenue, two.

Streets with only one accident were Edwards street, 18th street, Benton avenue, Cleveland blvd., 27th street, 22nd street, Faith avenue, Washington avenue, Ridgegate avenue, State avenue, 21st street, Wayne street, 12th street, Iowa street, 24th street, Victory drive, Illinois avenue, St. Clair avenue and a Nameod road parking lot.

38 Persons Injured

Granite City police issued nine tickets to motorists who were not displaying city license stickers Monday afternoon.

The tickets were issued to—James Cluipper, 2005 Missouri avenue; Melvin E. Tripp, 2305 Ohio avenue; Johnny 2005 Missouri avenue; Alex C. Nagy, 1805 Venice avenue; William R. Hale, 2185 Dewey avenue; and Edna L. Bryan, 2017 Bryan avenue. All posted drivers' licenses as bail.

for town purposes.

Local residents are expected

to vote in November 1962 on a

proposed "new look" for the Illi-

nois court system, and also may

decide whether to revise state

constitution to permit wide

new powers for state legislature.

The revenue amendment

proposed will not be voted on

unless voted on by the state

general assembly at a special

session expected to be called

by Gov. Otto Kerner. The regu-

lar session will be held in Jan-

uary, when Congressional reci-

triting will also be left undecided.

The court amendment would

consolidate the judicial system

into circuit courts, with the latter

the only trial court, and would

allow circuit judges to be asso-

ciated with county legislative

and election processes.

Judges in office on Jan. 3

1963, will be allowed to run for

Rain—The Playground Director's Headache

To paraphrase a familiar song: "What do they do on a rainy day at the playgrounds?" When the question was put to an active director at one of the seven summer playgrounds being operated by the Granite City park district during a very rainy day, Friday, she had the answer.

"Of course, all activities have to be brought inside," Miss Sue Winters, assistant at the Niedringhaus school playground, said.

Playground supervisors have advance instruction on what to do if it rains; but the practical application of the instructions is another matter.

Children Restless

Young children tend to be very restless. Miss Winters said, "They would much rather be outside — even in the rain."

The solution is to get them interested in something that will keep them interested. The park district provides equipment for crafts and games, but the instructors must generate interest, restlessness, and be able to tell when they have tired of one activity and need something "new."

The rainy day attendance at the Niedringhaus school location was down considerably over that of a sunny summer morning. Many children have reported to the playground at opening time, but had decided against staying — if it meant confirming their theory.

The group that remained was noisy and unsettled until leaders organized tag games. "With youngsters maniacs on coolers, then joined in a game of '7-Up'. Weaving and handcraft projects also got attention.

Schedule

What does the director do to the playground schedule? "It upsets it," Miss Winters said. "These children were looking forward to swimming this afternoon. Now we'll have to reschedule for their swimming period later. And it was already past posted when the weather turned bad. The pool was taken up by a special trip to the St. Louis Zoo earlier this week."

A&W, Save-Mor, Cotton's Score Exhibition Wins

A&W Root Beer of the Granite City park district boys' baseball program, silver medalists in the Madison Khoury league by one run for the second time this season, winning the Juvenile division exhibition game, 5-4.

The contest was one of three exhibitions played as a part of the Madison July 4th celebration at the park district's baseball field.

Terry Tessier pitched a five-hitter for A&W, with Tommy Raynes collecting a triple. Mike Dillenberger was the loser. John Hadley was on the mound for Cotton's.

In the Bombers division exhibition, the Bombers, coached by John Savo, defeated the Signal Hill Fire Dept. of Belleville, 5-2. Bill Campbell was the winning pitcher, while batters Ronne Britt had three hits.

HERE'S TO A TRADING FUTURE

Ever since we early settlers traded a handful of beads for Manhattan Island, forward thinking people have been trading something they don't need for something they want.

NOW

Maryland Real Estate Company offers you the chance to trade your present home or equity for a home suited to your present needs.

Five new three bedroom brick-veneer homes are showing as "OPEN HOUSES" are available to you on trade.

CALL GL. 2-6158 for full particulars

Location—

CLOVERVIEW SUBDIVISION

OPEN HOUSE

SATURDAY AND SUNDAY FROM 2 TO 5 P.M.

2323 HODGES AVENUE: Compact and cozy 2 bedroom brick, full basement; single car garage; fenced yard; knotty pine enclosed porch; oven with wine.

3209 WALTER: Neat clean 2 bedroom frame; 1 1/2 car garage; central heat; convenient to schools and shopping center; call now for an immediate inspection.

3008 RUTH STREET: Low tax area; 3 bedroom brick-veneer; attached garage; built-in range and oven; hardwood floors; located on 90' x 125' lot; \$14,050.00.

4205 EAST LAKE DRIVE: For the handy man; four room frame with extra large attached garage; full basement with tile floor; attached garage; be cool as a catfish a-lying in a spring-fed pond all summer for it has air conditioning. Inspection by appointment only.

2007 GARFIELD AVENUE: Owner wants quick sale; 3 bedrooms; double car attached garage; 1 1/2 baths; oil radiant heat; situated on 100' x 125' lot.

2571 & 2578 BOYLE AVENUE: Three bedroom brick-veneer; full basement; attached garage; built-in oven and range; ceramic tile bath; hardwood floors; gas heat. Call now for an inspection and you will find the price is right.

BUILDING LOTS

BETWEEN GRAND & STATE AT 20TH

KAEGEL
REAL ESTATE AND INSURANCE AGENCY
Member of Granite City Real Estate Board

3007 Webster Avenue GL. 2-1125

ALREADY FINANCED: \$300 down and \$85 per month will move you in to this two bedroom home on a corner lot on East 27th street. Run-down but with lots of possibilities for added value when you make the necessary repairs in your spare time.

CONVENIENT TO MOST EVERYTHING: Two bedroom brick with two fine porches, basement and garage, too. Clean as a hound's tooth and located in a nice family neighborhood. See 2718 Iowa, today.

ONE TYPE OF INSURANCE TO SERVE YOU BETTER

GOOD TASTE, GOOD BUY: Three bedroom frame, garage, awnings, carpeted throughout and no work to be done here. You'll want to see the inside of 3092 Wayne before you will associate to the fullest.

COOL: Beat the heat next summer by planning for it now. Four bedrooms, almost new brick and aluminum siding/with radiant heat and low taxes. Drive out the "Old Alton Road" on the other side of Mitchell and see for yourself.

Drive through "DEAD VILLAGE" today and you'll be surprised to see what's been done to the houses that have been completed.

The old house is a real treasure and there is more. More for your money. Prices begin at \$15,000 for these HENRY ROSS constructed homes. Call GL. 2-1125 for an appointment, either day or night.

GOOD HOME: on a fine lot with good neighbors. Two bedrooms could be three with large den. Large living room and dining room, with attached garage. You will have to see 3310 Franklin.

YOU BE THE LANDLORD: For a modest down payment, you can collect the rent and live, too, at 2017-19-19-21 Washington.

BEAUTY AND THE BEST: Can be yours with 100' of lake frontage and 80' well already in. All that is needed is a home on this fine lot in "Oakdale Subdivision."

"Just Off Johnson Road on Wabash Avenue" GL. 2-1125

LEGAL NOTICES

NOTICE OF SALE

In the Circuit Court of Madison
County, Illinois, the Western and Southern Life
Insurance Company, a corporation, plaintiff
vs.
Pauline Cantrell, defendant

In Chamber No. 61-C-107

Forfeiture

PUBLIC NOTICE IS HER-
E GIVEN that in pursuance of
the decree made and entered in the
above entitled cause on the 26th
day of June, 1961, in the Circuit
Court of Madison County, Illinois,
Master-
Chancery of the Circuit Court of
Madison County, Illinois, on the
1st day of August, 1961, at the
time of 10:00 o'clock in the
forenoon at the County Court
House, in the City of Edwards-
ton, County of Madison, Illinois,
the Plaintiff, the Western and Southern
Life Insurance Company, will sell
the real estate held in the name
of the Plaintiff, the Western and
Southern Life Insurance Company,
in the City of Granite City, in
County of Madison and State of
Illinois, for the sum of \$1,000.00.

At the time of the sale, the Plaintiff
will be the holder of a Note
dated June 26, 1961.

HARRY R. MONDHINK,
Master-
Chancery of the Circuit Court of
Madison County, Illinois.

Upon payment of the purchase
money and confirmation of the
sale, the Plaintiff, the Western and
Southern Life Insurance Company,
will be given a Certificate of
Purchase, will be given by the
Plaintiff, the Western and Southern
Life Insurance Company, to the
Purchaser, the Plaintiff, the Western and
Southern Life Insurance Company,
will entitle the Purchaser, his
heirs or assigns, to a Deed at
any time from date of sale, unless
there shall be redemption ac-
cording to law.

DATED: June 26, 1961.

HARRY R. MONDHINK,
Master-
Chancery of the Circuit Court of
Madison County, Illinois.

LEGAL NOTICES

HIGHWAY NOTICE, PUBLIC
LETTING OF CONTRACT

Notice is hereby given that
sealing bid will be received by
the Board and Bridge Committee
of the Madison County Board
of Commissioners, at the Office
of Superintendent of Highways,
Edwardsville, Illinois, until 10
A.M., Friday, July 13, 1961, for the furnishing
and applying of Bituminous Ma-
terials on Roads in Madison County,
as follows:

Name of Road District

Parrot #

MC-4 or 5 8,200 Gallons

RC-4 6,400 Gallons

RC-5 1,000 Gallons

Venice Road District, Patrol #1

2 1/2 Chips 104 Tons

General Specification

Bidders' Blanks may be secured

at the Office of Superintendent

of Highways, City Hall, Ed-
wardsville, Illinois upon payment

of \$1.00 on each proposal.

It is agreed and agreed

that the "Standard Specifi-

cations for Roads and Bridge

Construction" prepared by the

Department of Public Works and

Buildings, Division of Highways,

steps 1/2/60, and any revision

thereto, shall govern insofar as

they may appear

and the same are not con-

trary to the special provisions.

The right is reserved to reject

any proposal which fails to

wave technicalities. A proposal

guarantee in the form of a bank

note or a certified check or a

certified check in the amount

of not less than 100% per

amount specified in the sched-

ule of payment, shall be re-

quired. A surety bond for the

amount of the contract may not

be required. Where a surety

bond is not required, the pro-

posal bidder will be held until

all of his material has been deliv-

ered and authority until appear-

ance is given by it to substitute a surety

bond in lieu of the proposal

guarantee.

By Order of the Board and

the Madison County Board of

Supervisors, H. A. KLUGE Super-

intendent of Highways. 7/6

IN-BED BUREAU, an invention by Henry G. Zuk, Madison, which is receiving interest from furniture manufacturers. The drawer provides storage space for bedding.

Invention By Madison
Man Attracting Interest

Henry G. Zuk, 1431 Sixth
street, Madison, like most self-
taught inventors, is rarely satis-
fied with the status quo of

things. Since childhood, the 39-year
old part-time factory worker

has come up with many ideas and
inventions, some of which have

been adopted by others.

His backyard workshop is a busi-

ness in itself, producing

such items as a portable

oven, a radio, a

stainless steel
